

CATARACTS PATIENT INFORMATION LEAFLET

Just Worldwide is an independent healthcare market research recruitment company based in the UK and we recruit participants for healthcare market research studies. The market research studies we run are non-clinical and non-promotional and are mostly commissioned by pharmaceutical companies with new treatments and support programmes in development.

We are currently working on a market research study relating to **Cataracts**.

The objective of the study is to gain a better understanding of the needs and experiences of people with cataracts.

Who can take part?

- **Post -surgery:** anyone who has had Cataracts surgery in the last 3 months
- **Pre - surgery:** anyone who has been referred by a physician for cataract surgery

What will it involve?

You will be invited to participate in a 45 minutes in-depth discussion via Zoom. In return, you will receive **£60** as a thank you for your time.

All information about you will be handled in confidence and the study findings will be fully anonymised.

**For more information about your rights please see our privacy notice, it is available at:
<https://www.just-worldwide.com/privacy-policy>**

All information will be handled in confidence. The study findings and any interview recordings will be fully anonymised.

All participants' responses will be combined together into a report for the healthcare company.

Upon request, the name of the sponsoring company can be disclosed at the end of the interview.
